LOST SOCIETY COVID SAFE POLICY

Lost Society is fully committed to the safety & wellbeing of our guests & staff. We have taken the following measures to make sure our venues are COVID Secure:

We have measured & reduced venue capacities to ensure that appropriate social distancing can be maintained at all times.

Hand sanitiser will be offered on arrival & on departure, with hands free dispense points positioned by the entrances & outside the toilet facilities. Where possible, we will keep windows & doors open to reduce contact entry points in venue & for improved ventilation.

Under current national restrictions, table service only will be in operation in venue; we will also be offering drinks to takeaway in disposable glasses, to be ordered from a waiter or at designated take-away points. Tables will be spaced according to the needs of our customers, & to ensure a minimum of 1+ meter distance can be maintained between each booking of up to 6 people or 2 households.

Guests will be required to leave their name & phone number in compliance with NHS Track & Trace. We are happy to accept walk-ins if there is table space available. Our menus will be offered online for contactless ordering & payment; or on request on single use recycled paper.

Where possible booking arrival times will be staggered to allow for social distancing; socially distanced queuing will be in operation in the event two or more parties arrive concurrently. A one-in-one-out system will be in place for the use of the toilet facilities to allow for appropriate social distancing.

Dancing or any behaviour that contravenes social distancing regulations will not be allowed but we do encourage you all to enjoy yourselves whilst seated at your table. Tables will be cleaned & sanitised between each use.

Contactless payment methods are both welcomed & encouraged at our venues. Regular & thorough sanitising will be undertaken of all venue touch points & facilities. Our management teams & staff have undertaken additional training to ensure the venue is COVID Secure & operating fully in line with current Government guidance.
